

**Below are different prompts that may encourage your child to write in different styles and on different topics. For step by step guides or processes get them to draw a picture for each step. Otherwise get them to draw a picture at the end.**

1. **Admiration.** Name someone you admire and list three reasons you look up to them.
2. **Favourite Sandwich.** List the steps you'd take to make your favourite sandwich.
3. **Healthy Teeth.** Explain why it's important to take care of your teeth by brushing them every day.
4. **Game Changer.** Explain how to play your favorite board game.
5. **Lost and Found.** Describe what you should do if you become separated from your parents in a crowded place like a store or an amusement park.
6. **Tough Tricks.** Do you know how to do something that your friends haven't figured out yet. Explain how to do it.
7. **Pet Care.** You're going out of town, and your friend has agreed to take care of your pet while you're gone. Explain what he or she needs to do.
8. **Self Portrait.** Describe your appearance to a friend as if he or she had never seen you.
9. **Apology.** Explain how you would apologize to a friend or relative if you hurt their feelings.
10. **My Space.** Describe your room. What does it look like? What kind of furniture and decoration do you have?
11. **Rules.** Choose one school rule and explain why it's important for students to obey it.
12. **Step-by-Step.** Explain, step-by-step, how to complete a process such as tying a shoe or folding a paper airplane.

## Maths prompts:

1. In your house find as many different places that numbers are used and count them. Can you explain why it is important that we have numbers and why we see them in different places?
2. How many are there in your favourite Television program?
3. If the question is 85, what might the question be?
4. If the answer is 33 what might the question be?
5. Without checking can you think how many doors are there in your house? Now check if you were right.
6. Design/draw something using squares, circles, rectangles and triangles/
7. How many rectangles can you see in the room around you?
8. Design your own mindfulness colouring sheet using 2D shapes like below;

Design your own Pharaoh. Below is an example of what the outline looks like. Get creative and put in plenty of colour and detail. There is no need to print this out your child could try and recreate this.
